This joint Paper Development Workshop (PDW) of EGOS, OS and OMT seeks to provide developmental opportunities for late stage PhD students and early career scholars who are based in Central and Eastern Europe and do research in the field of organizational and management studies. The PDW aims to help participants develop their research and academic writing skills. It also seeks to increase participants' awareness of the requirements, expectations, and procedures involved in the review processes at top peer-reviewed academic journals through presentations and first-hand discussion with established scholars and editors such as OS, JEEMS and JMS.

In particular, we aim to support participants to develop their papers into conference papers to be submitted to the 34<sup>th</sup> EGOS Colloquium in Tallinn, July 5–7, 2018, and/or to the OMT Division of the Annual Meeting of the Academy of Management in Chicago, August 10–14, 2018. In addition, the best papers developed out of the workshop will have the opportunity to be considered for publication in the JEEMS – a journal that “aims to promote the development, advancement and dissemination of knowledge about management issues in Central and East European countries”.

The workshop is free of charge. Meals and accommodation will be provided to all selected participants. A limited number of travel grants will be offered depending on needs and funds' availability; please indicate in your application if you would like to be considered for such support.

To be considered for the PDW, please submit a brief motivation letter explaining why you think you are a good candidate for the workshop, how you fit into overall aim and format of the planned PDW, in terms of stage of career and research interests. In your submission, please also include an extended abstract (about 2,000 words) of a manuscript which you would like to develop further during the workshop. The abstract should include an explanation as to the purpose of the paper, the theoretical background and, for empirical papers, the methodological approach.

Applications should be sent by **September 3, 2017** to Horia Moaşa ([horia.moasa@unitbv.ro](mailto:horia.moasa@unitbv.ro)).

Submitters will be informed whether they have been accepted for participation in the PDW by September 25, 2017.
